

MODEL RELEASE FORM
VERSION 2017-0902

Thanks for shooting with NFG!

Any images you receive from our photo session(s) are yours to keep and use, share and edit, without restriction. **When sharing edited images, a credit to NFG or NFGphoto would be awesome but is not required. When sharing proofs, the image must not be cropped to remove the 'unedited' text unless the image description states the image is unedited.**

Please separately indicate your tagging and identification preferences for clothed and nude or revealing images. **This release is designed to be simple, but if anything is unclear, please ask NFG for clarification.**

The Internet:

The best photos from our session may be placed online. NFG will take the utmost care with your images, but once they're online it is impossible to know who views, saves, modifies or re-distributes your images. Do you understand this?

I understand how the internet works
